Case No. 19-cv-07504-HSG (JCS)

**ORDER REGARDING
ADMINISTRATIVE MOTIONS TO
FILE UNDER SEAL**

Re: Dkt. Nos. 65, 74

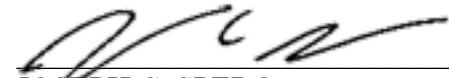

12 On September 5, 2021, Plaintiff Anthony Lustig moved to file under seal certain
13 documents relating to his efforts to collect a judgment against Defendant AzGen Scientific
14 Holdings PLC, on the basis that the Court had previously sealed declarations by non-parties that
15 the present documents cited and discussed. Dkt. 65. The Court ordered Lustig to comply with
16 Civil Local Rule 79-5(e) and serve his motion on the non-parties whose confidentiality interests he
17 sought to protect. Dkt. 73. On September 27, 2021, Lustig filed a revised administrative motion
18 to file under seal, dkt. 74, which he served as required by Local Rule 79-5(e), dkts. 75–76, but he
19 did not file any exhibits with that revised motion. The non-parties did not file responsive
20 declarations within the four days permitted by Local Rule 79-5(e). On Sunday, October 3, 2021,
21 Lustig filed a redacted public version and a provisionally sealed version of only one of the exhibits
22 to his revised motion. Dkts. 77–78.

23 Since the original and revised motions concern the same purportedly confidential material,
24 the Court excuses Lustig's failure to file all exhibits again with the revised motion. Since the non-
25 parties have not filed responsive declarations, both motions to file under seal are DENIED. Lustig
26 shall file all documents at issue unredacted in the public record no earlier than October 8, 2021
27 and no later than October 14, 2021. *See* Civ. L.R. 79-5(e)(2). The Court will address the
28 underlying motions related to collecting the judgment after all documents at issue have been filed

1 in the public record.

2 **IT IS SO ORDERED.**
